

## **DIRECTIONS TO PMTI**

1. If you're coming from south of Pittsburgh or the airport, follow I-279 north toward Pittsburgh. Travel past the Carnegie and Greentree exits. Get into the right lane as you pass the "Runaway Truck Ramp". Just before the tunnels, take Rt. 51 south toward Uniontown (Exit 7A).

2. If you're coming from north of Pittsburgh, exit Route I-79 onto I-279 (near Wexford), headed toward Pittsburgh. Near Pittsburgh, exit I-279 onto I-579. This road crosses the Allegheny River and will lead you to the Liberty Tunnel. Get into the right lane through the tunnel and, at the far end of the tunnel, take Route 51 south toward Uniontown.

Once onto Route 51, you will travel approximately 15 miles and go under the Rt. 43 interchange. Get into the left lane and go through the next light. Just past Slater's Funeral Home, enter the left turn lane and turn into our parking lot. Enter through the gate at the far left corner of the parking lot to Building 10.

3. If you're coming from Rt. I-70, take Rt. 51 North approximately 13 miles. You will cross the Monongahela River and go up and over a long hill. On the far side of the hill, you will see the red brick Jefferson Technology Center just beyond the Rt. 43 high level bridges. Go through the light and turn right into our parking lot. Enter through the gate at the far left corner of the parking lot to Building 10.
